

Guardian Biometric Safe

Product Code 0043

All Guardian safes culminate 15 years of product excellence and come with a 2 year warranty.

Biometric technology only allows the safes to be opened by the fingerprint that locked it. Keeping your valuables, guns or medicines out of the wrong hands.

Operation

To lock the safe

1. Press Reset
2. Put your finger on the reader
3. Wait for the beep

To unlock the safe

1. Press Reset
2. Put your finger on the reader

In case of emergency the safes can be opened with a copy proof manual key.

Security

The solid steel construction and double bolt locking deters the most persistent thieves.

Style & Finish

A quality sleek black finish and high precision engineering give the safe an attractive aesthetic.
